The business in the cattle section for the week closing last night was one of the most satisfactory in the history of this market. Receipts were much larger than beretofore, and there were buyers for everything that came. Wichita is recognized as a feeder and stocker market, and a large number of this class of cattle were sent to different sections of the country. The market yesterday was that a large number of stockers and feeders were held over in Hansas City and St. Joseph, caused buyers to be a little more cautious and less analous to Butcher cattle sold well during the enthat this class of stock will be more in demand on account of the trade calling
